

## Environment Artist

### About ON Animation Studios

Driven by world-class technical and creative talents with offices in Montreal, Paris, and Los Angeles, ON is the independent animation studio of the ON Kids & Family group, a leading European studio specializing in the production of television series and feature films. ON is currently working on the highly-anticipated animated film “Ladybug & Cat Noir Awakening”, based on the universe of the international smash hit “Miraculous: Tales of Ladybug & Cat Noir” television series!

Based in Montreal since 2015, ON produced and created the pipeline for Mune: Guardian of the Galaxy and The Little Prince, still the most successful French animated movie in the world. ON has just completed the production of Playmobil the movie, set to release in over 80 countries.

The studio is continuing to expand its compelling portfolio of engaging and unique blockbusters with other feature films in its brand new 25 000 square feet studios.

The greatest stories come from the greatest talents. Join ON Animation Studios Montreal!

### Your mission at ON

- Construct environment scenes that match the designs and/or the briefs that are assigned;
- Develop a shot from an early stage to the final renders;
